WINSTAR NEWS

Issued by: Sales Division of Winstar Display

Issued on: March 5, 2007

Subject: USB Demo Kit for Character LCM

Dear Sirs,

We'd like to notify you of a new application for your easy demo work.

1. Part No. registered in Winstar ERP : WS-USB#
2. This demo kit is only for Winstar character LCM, but **excluding WH4004A**.
3. This demo kit can give voltage (5V) only to the LCD panel, and backlight should be powered externally on end user side, because of natural restriction by USB power.
4. Connection:
PC => WS-USB# => Winstar character LCM
5. WS-USB# has incorporated MPU 8051, so you don't have to buy AMP89C51A01 additionally.
6. The data sheet of WS-RS232# and its application software guide is ready.
7. We provide you with application software for your easy demo work. Please feel free to contact us for it.

Thanks for your attention.

Kind Regards,
